Students comments:

ECON 3910: Microeconomics - Fall 2016

Instructor Strengths:	<ol style="list-style-type: none"> 1. Very knowledgeable of Microeconomics 2. Responsive to questions, concerns Accessible. Willing to go out of his way to help students learn. Assigning homework assignments and quizzes that are actually helpful. 3. Availability 4. English was good.
Instructor Weaknesses:	<ol style="list-style-type: none"> 1. Clarifying information was a struggle at times. 2. Needed more time to cover other topics.

ECON 4950 ECONOMETRICS & APPLICATIONS -

Instructor Strengths:	<ol style="list-style-type: none"> 1. Thorough knowledge of econometrics. Excellent job with responding to the educational needs of the students. Always provided space for questions and for review sessions in and outside the scheduled class time 2. The instructor was clear in his explanations and made himself available for questions outside of the classroom. 3. Very Passionate 4. attractive 5. Knowledgeable about the subject matter, and available to help students improve.
Instructor weaknesses:	<ol style="list-style-type: none"> 1. Moves at fast pace in lecture 2. could be more assertive with disruptive and annoying students. 3. Based on Class Average, the exams were probably a bit too difficult.

ECON 4999 SENIOR CAPSTONE IN ECON - Fall

Instructor Strengths:	Passionate about economics
Instructor weaknesses:	Tests weren't representative of what was learned in class

ECON 4950 ECONOMETRICS & APPLICATIONS -

Instructor Strengths:	<ol style="list-style-type: none"> 1. His ability to explain things in a clear manner 2. Even keeled, mostly very accurate
Instructor weaknesses:	<ol style="list-style-type: none"> 1. Sometimes fails to explain concepts clearly, also kept the board dark and sometimes had faded pens so you couldnt read the board 2. Stick with one data set and be more hands on with showing how stata works. I didnt get predict until the final week.

ECON 4999: SENIOR CAPSTONE IN ECON - Spring 2019

Instructor Strengths:	<ol style="list-style-type: none"> 1. Good feedback on the presentation, lots of questions were asked during the presentation, I found it as nervewracking. 2. Masood was always willing to help, reframe the information to help you understand, and meet if you needed further instruction. Masood was by FAR the best instructor I've ever had at GSU. Many instructors act quite nervous or overly confident. Masood coolly delivered material in a way that was digestible and was very approachable. 3. Communicated clearly, showed a strong desire for students to learn.
Instructor Weaknesses:	<ol style="list-style-type: none"> 1. The midterm was too general questions, a little strict on grading. 2. Consistency. Changed syllabus and expectations midsemester. Did not provide grades / feedback until the end of the semester
